Human.Nature

Man and Nature have a timeless connection.
It is the SOURCE of inspiration for everything we do.

SOURCE founder

Yoki Gill

In search of the Source we are committed to...

- Satisfy the genuine needs of people who inhabit the outdoors.
- Bring original, functional, long-lasting gear to the market place.
- Incorporate human values in all aspects of our business.
- Encourage ourselves to identify with our collective goals and shared responsibility.
- Liberate our working environment by excluding all forms of prejudice.
- Embrace human relations as an extended family within our company.
- Advance towards the goal of environmental sustainability.
- Initiate social change that makes unity and equality a common practice.
- Make curiosity, joy, respect, passion and caring, part of our daily lives.

Hands- On

Accessories

Helix Valve™

Features a 360 degree cylindrical valve with soft bite which eliminates the need for a specific mouth orientation. The retreat spring sealing mechanism is leak proof even under pressure.

SO-2502200200

Storm Valve™

Angled free flow valve design. Sealing mechanism locks shut with a simple twist (Ideal for extremely cold weather). Secure lock for storage.

SO-2112100300

Helix Tube kit

Compatible with all Source hydration systems, includes Helix valve, Dirt Shield and male quick-connect.

SO-2501600000

Weave Covered Tube kit

Insulated UV-Block woven cover. Keeps liquid cool and bacteria-free from the first to the last sip, includes valves, Dust Shield and male quick-connect.

SO-2501500000 Helix valve

Winter Tube kit

Turns a standard hydration system into a winter system by replacing the tube with a special insulated tube and a Storm Valve™.

SO-2501200000- Black

Magnetic Clip

A smart and simple magnetic tube holder clip, easily attachable to shirt or shoulder strap, allowing complete ease of use.

SO-2510600000

Brush kit

For cleaning your tube of any residue.

SO-2120100000

HYDRATION STANDALONE

Wide Opening Access

U.S. Patent No. 7,648,276.82

Unique wideslide™ hydration system, allows access through wide opening with airtight seal by smooth slider operation. Easy to clean, easy to fill using water or ice. Quick drain and dry.

Taste-Free™

High-tech co-extruded film and tube retain water with no plastic aftertaste. using water or ice. Quick drain and dry.

Grunge Guard™

Grunge guard™ Technology inhibits bacteria growth on the reservoir and drinking tube surfaces for the life of the system. Technology utilizes FDA approved and EPA-registered anti-microbial agent.

Glass Like™

Glass-Like™ Film Technology
A multi-layer Polyethylene film utilizing SOURCE's Glass-Like™ technology, which prevents bio-film build up making the system self-cleaning. SOURCE's Glass-Like™ Film is 2000% smoother than standard TPU films, with virtually no difference from glass itself.

Care-Free™

A new generation in hydration systems, in which cleaning is no longer an issue. Simply refill and drink again and again without special care. The same water will remain fresh for days and even weeks.

BPA Free

BPA Free

All our hydration systems and our bottles are BPA and phthalate free down to the last component.

U.S. Patent

BETTER by TECHNOLOGY

Widepac™

Our state of the art original Widepac, with a wide opening that makes filling and drying of the reservoir easier than any other.

SO-2060220215 | 1.5L/50oz

SO-2060220202 | 2L/70oz

SO-2060220203 | 3L/100oz

WLP™

Unique Low Profile design allows more space for your cargo. The cut out center prevents ballooning of the reservoir and helps it retain its shape even in extreme conditions.

SO-2060880102 | 2L/70oz

SO-2060880103 | 3L/100oz

New!
Low profile Design

WXP LP™

Our WXP is now Low Profile! With a new baffle wall, this reservoir **keeps its shape** when filled, for a smoother fit **inside the pack**.
